# Introduction to NEP 2020

**NEP 2020 is a new education policy for India.** It aims to build a better education system for a brighter future.

**It focuses on flexibility.** Students can choose subjects as per their interest and ability.

**It promotes learning by understanding.** It encourages thinking, creativity, and problem solving.

**It moves away from rote memorization.** It encourages practical learning and real-life application.

**Students can choose subjects from many areas.** Science, arts, commerce, and vocational subjects can be studied together.

**It offers multiple entry and exit options.** Students can leave and rejoin their course at different stages.

**It promotes the use of technology.** Online and digital learning tools will make education more accessible and effective.

**It focuses on teachers' training and support.** Well-trained and motivated teachers create a better learning experience.

**It promotes Indian values and knowledge systems.** It includes our culture, values, and traditions in modern education.

**It prepares students for the future.** It builds skills for jobs, entrepreneurship, and responsible citizenship.

**It aims for an inclusive and equitable education.** Every student, from every background, gets equal opportunity to learn and grow.

NEP 2020 builds a strong foundation for a confident, skilled and compassionate India.

# Vision & Objectives of NEP 2020

## Create globally competitive and skilled graduates.

NEP 2020 aims to prepare students with the knowledge, skills, and values needed to succeed in a global world and become responsible citizens.

## Encourage multidisciplinary and research-oriented education.

NEP 2020 promotes learning across different subjects and encourages curiosity, critical thinking, and a strong research culture.

## Provide academic flexibility through multiple entry and exit options.

Students can learn at their own pace and choose the path that suits their goals and needs.

## Promote inclusive, accessible, and technology-driven learning.

NEP 2020 ensures equal opportunities for all and uses technology to make quality education accessible anytime, anywhere.

# SUBJECT CHANGE RULES – SEMESTER III

**FLEXIBILITY • CHOICE • STUDENT-CENTRIC LEARNING**

NEP 2020 empowers students to explore their interests and make informed academic choices.

## WHAT IS SUBJECT CHANGE?

Under NEP 2020, students may be allowed to change or swap their Major and Minor subjects after completing the first year and before entering Semester III, subject to university regulations.

This flexibility helps students align their academic journey with their interests, aptitude, and career goals.

## WHY IS SUBJECT CHANGE ALLOWED?

- ✓ Helps students choose subjects matching their interests.
- ✓ Allows correction of earlier academic choices.
- ✓ Supports multidisciplinary learning.
- ✓ Improves student satisfaction and academic performance.
- ✓ Provides better career alignment and future opportunities.

## CONDITIONS FOR SUBJECT CHANGE

- Subject change is not automatic and is subject to:
- ✓ Availability of vacant seats in the desired subject.
  - ✓ Eligibility criteria prescribed by the University/College.
  - ✓ Academic performance in Semesters I & II.
  - ✓ Availability of faculty and infrastructure.
  - ✓ Approval of the College Admission/Subject Allocation Committee.
  - ✓ Compliance with NEP 2020 and University regulations.

## MAJOR ↔ MINOR SWAPPING

Students may apply for:

- ✓ Change of Major Subject
- ✓ Change of Minor Subject
- ✓ Swapping of Major and Minor (where permissible)
- ✓ Change to another available discipline

Subject to seat availability and eligibility.

## MERIT & PERCENTAGE CRITERIA

Selection is generally based on:

- ✓ Semester I & II Performance
- ✓ Merit Position
- ✓ Number of Vacant Seats
- ✓ Reservation Policy (where applicable)
- ✓ University Guidelines

Higher merit students are given preference whenever applications exceed available seats.

## SEAT AVAILABILITY RULE

A subject can be changed only if seats are vacant in the desired course.

### Example 1:

Current Intake	: 80 Seats
Filled Seats	: 80
Vacant Seats	: 0

→ Subject Change Not Possible

### Example 2:

Current Intake	: 80 Seats
Filled Seats	: 70
Vacant Seats	: 10

→ Subject Change May Be Considered

---	---	---	---	---	--

## REPORT RAGGING - STAY SAFE

- ✓ Students can report incidents confidentially to anti-ragging committees.
- ✓ Your identity will be kept confidential.
- ✓ Timely reporting helps prevent further incidents and protects others.
- ✓ Don't hesitate - Speak up for a safer campus!

## HOW TO REPORT - SIMPLE STEPS

## PENALTIES FOR RAGGING

- ✓ Cancellation of admission
- ✓ Suspension/Expulsion from college
- ✓ Withholding results
- ✓ Debarring from examinations
- ✓ Filing of FIR & Legal action
- ✓ Imprisonment up to 2 years and/or fine up to ₹1,00,000/-

## OUR APPEAL TO EVERY STUDENT

 Be respectful to everyone.	 Help others feel welcome.	 Say NO to ragging.	 Be a buddy, not a bully.	 Together, we can make our campus safe and great.
--	---	--	--	--

**Remember:**  
Ragging is not a fun. It's a punishable offence. Choose respect, not regret.

**RESPECT BUILDS FRIENDSHIPS. DISCIPLINE BUILDS CHARACTER. TOGETHER WE BUILD A RAGGING-FREE CAMPUS.**
